# The Challenges

## **Lonely Start**

Mentor on holiday  
Setting up the  
environment  
Research and Analysis  
Shyness and fear of  
disturbing people

## **New Frameworks**

React, Ruby course  
Custom components  
New tools  
More complex setting

## **Mentor Change**

Rather unexpected  
Well organised  
Yet got me worried

## **Slow development**

Difficulty with new  
frameworks  
Need more Peer  
programming or course  
practice

**What is next?**

## **Development and Deployment**

Develop the design  
Complete Project Report  
Submit the portfolio

## **Testing and Feedback**

Enabling access for some  
end users  
Gathering feedback from  
end-user

## **Wrap-Up**

Handover  
Prepare final presentation  
Assessment

A photograph of the Golden Gate Bridge in San Francisco, viewed from a low angle looking up at the tower. The bridge's orange-red structure is prominent against a dark, overcast sky. The water of the bay is visible in the foreground and middle ground.
